ABA MEDICAL INSURANCE PROPOSED SCHEME SURVEY

The Advocates' Benevolent Association's Board of Management is dedicated to its members' well-being and continually works to enhance the services provided to them. In line with this commitment, the ABA Committee for the Feasibility Study on Medical Cover was established, tasked with conducting a comprehensive assessment of our esteemed membership's healthcare needs and preferences, aligning with the Y2023 ABA AGM resolution to provide medical cover, contingent upon the conduct of a feasibility study.

The survey's primary purpose is to gather and analyze data on the healthcare needs and preferences of the membership, including age, demographics, income levels, and pre-existing medical conditions. This data will help identify patterns and common healthcare requirements among the membership.

The insights collected will serve as a critical foundation for the committee's work in identifying the most suitable medical cover solution for all Law Society of Kenya members. Your input and feedback will be invaluable in making informed decisions regarding the provision of medical cover.

We strongly encourage all members to complete the survey, accessible [here](#), on or before, Friday 20th October 2023.

For questions or further information, please contact the ABA at aba@lsk.or.ke.
